

PASTOR'S PONDERINGS.... March 2022.

Sandwiched here, between Ruth's 90th birthday and Session 2 of UM education for the future, I want to give a shout out for our Trinity UMC Church Council people. They have faithfully tended to the challenges of two years of pandemic...making decisions so that Church can be available to as many as possible while maintaining reasonable health standards.

Now, your Council is also dedicated to guiding us through the upcoming changes in our denomination. Yes, change is coming, and plans are in place at Trinity for more sessions and conversations and letters in the months ahead.

Yes, the Council is doing what needs to be done, and they are not alone, either...because they have all of you to help! Don't be surprised when you are asked for your input, thoughts, ideas going forward. We all have a part to play in the past, present, and future of Trinity UMC.

Neither of these Council 'projects' are simple and straightforward. They require a lot of research and prayer and listening and discernment. Praise God that we are blessed with a Council that cares deeply and looks to God for guidance.

If you ever have any questions or comments, please contact the following people who have great insight and experience with the Council process: Brian Bancroft, Blair Daugherty, Jerry Harwell, Jack Noyce, Frank Trumbell, and Lea Varda.

God's blessings to us all as we move to Easter!
